

Sacred Singing Soul walking with Womb Wisdom

Retreat with Mahima 11-14 may at Frejas Sal in Langeland - Denmark

Warmly Welcome to a Women's empowerment Circle where we explore, expand and connect the Feminine Trinity of Intuition, Heart and Womb.

Mahima guides and inspires in her surrendered leadership, brings her Crystal Singing bowls, Drums & Crystal friends and creates a safe loving space for us all.

This retreat offers a deep nourishment for our sacred Temple - the miracle vehicle we call our Body, a gentle release of that which clouds our mind and a sweet remembrance of the depth in our Soul...

Goddess- & Sister Yoga, Dancing, Sacred Singing, Sharing and Listening will unite us deeper as supporting Sisters in a Circle of Union where we will celebrate ourselves and each other in a Ceremony of Trinity at this ancient land...
